How to Obtain a Breeze Card: In order to take MARTA, all riders must have a Breeze Card to access the train. The Breeze Card looks like a credit card, but it has a computer chip inside that can be loaded with cash value, trips or day passes. The Breeze Card is a reusable, plastic card designed to be used by most MARTA customers. Breeze cards can be purchased at a Breeze Vending Machine located in all 38 rail stations or at any of the MARTA Ridestores (Airport and Five Points). Vending machines accept cash, debit cards and credit cards; however, the machines do not accept denominations greater than \$20 in cash. The cost of a Breeze Card is \$1.00. Additional fare or value must be loaded on the card at the time of initial purchase. In order to add more value to your Breeze Card at any Breeze vending machine, please use the following directions:

- ❖ Select "Reload Card" from the display menu
- ❖ Tap your Breeze Card on the round, blue Breeze target
- ❖ Select the value you would like to put on your card by pressing the button on the menu screen

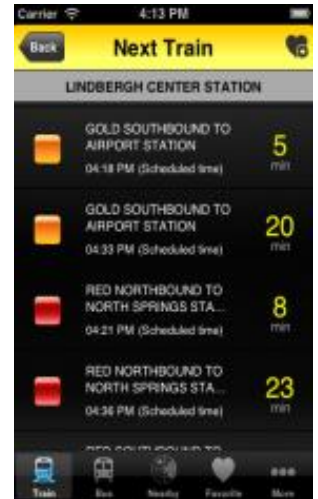

- ❖ Insert your payment into the slot – cash, coins or credit/debit card
- ❖ Tap your Breeze Card on the blue target a second time to load the value onto your card

Once you have purchased your Breeze Card, simply proceed to the station entry gate and tap the Breeze Card on the round, blue target located on the station entry gate. The reader will let you know your card has been accepted and flash your remaining balance on the screen.

MARTA On the Go App: This mobile app is currently developed for the iPhone and Android devices. It provides scheduling information for bus and rail services. The app will also provide real-time bus and rail information, service alerts, and connecting bus route(s) information. This app can be downloaded free of charge on your iPhone or Android device.

There is also a mobile version of the <http://www.itsmarta.com> website which allows you to view bus/rail schedules, real-time bus arrivals, trip planning, service alerts, fare information and contact information.

Taxi: Taxi fare between ATL and the hotel is approximately \$30, one way, not including gratuity.
