The Metropolitan Atlanta Rapid Transit Authority (MARTA) provides public transportation throughout the Atlanta metro area. The train fares are \$2.50 each way plus the cost of \$1.00 for a single-use Breeze ticket or \$2.00 for a re-usable Breeze Card. MARTA operates weekdays from 4:45 a.m. until 1:00 a.m. and on weekends from 6:00 a.m. to 1:00 a.m.

The closest MARTA stop to the American Hotel is the Peachtree Center Station, located approximately 0.2 miles away. When arriving at ATL, follow the Ground Transportation signs to MARTA. The entrance to MARTA's Airport Station is located inside the western end of the airport's main terminal. The fare gates are just a few feet from the baggage claim areas. You can take the red line towards North Springs or the gold line towards Doraville. Get off at Peachtree Center Station and head north on Peachtree Street toward Ellis Street Northwest. Turn left on Ellis Street Northwest and then right on Carnegie Way Northwest. Go two blocks north, and the hotel is on the left on the northwest corner of Ted Turner Drive Northwest and Carnegie Way Northwest.

For more information about MARTA, visit: <http://www.itsmarta.com/>.

How to Obtain a Breeze Card: In order to take MARTA, all riders must have a Breeze Card to access the train. The Breeze Card looks like a credit card, but it has a computer chip inside that can be loaded with cash value, trips or day passes. The Breeze Card is a reusable, plastic card designed to be used by most MARTA customers. Breeze cards can be purchased at a Breeze Vending Machine located in all 38 rail stations or at any of the MARTA Ridestores (Airport and Five Points). Vending machines accept cash, debit cards and credit cards; however, the machines do not accept denominations greater than \$20 in cash. The cost of a Breeze Card is \$2.00. Additional fare or value must be loaded on the card at the time of initial purchase. In order to add more value to your Breeze Card at any Breeze vending machine, please use the following directions:

- ❖ Select "Reload Card" from the display menu
- ❖ Tap your Breeze Card on the round, blue Breeze target
- ❖ Select the value you would like to put on your card by pressing the button on the menu screen
- ❖ Insert your payment into the slot – cash, coins or credit/debit card
- ❖ Tap your Breeze Card on the blue target a second time to load the value onto your card

Once you have purchased your Breeze Card, simply proceed to the station entry gate and tap the Breeze Card on the round, blue target located on the station entry gate. The reader will let you know your card has been accepted and flash your remaining balance on the screen.

MARTA On the Go App: This mobile app is currently developed for the iPhone and Android devices. It provides scheduling information for bus and rail services. The app will also provide real-time bus and rail information, service alerts, and connecting bus route(s) information. This app can be downloaded free of charge on your iPhone or Android device.

There is also a mobile version of the <http://www.itsmarta.com> website which allows you to view bus/rail schedules, real-time bus arrivals, trip planning, service alerts, fare information and contact information.

Shuttle Service: The hotel does not operate a shuttle service to/from the airport. However, there are private shuttle services that offer rides to the hotel area. Located in the Shared-Ride Shuttle Aisle of the Ground Transportation Center at the airport, rides range from a maximum of \$17 to \$19, one way, not including gratuity. For a list of shuttle services, visit <https://www.atl.com/ground-transportation/#1641608147211-8f7bc094-6a59>.

Taxi: Taxi fare between ATL and the hotel is approximately \$30, one way, not including gratuity and fees such as the fuel surcharge, which is dependent on the daily gas price. Taxis are located in the Ground Transportation Center/West Curb.

Parking: Valet parking is available at a special discounted rate of \$25 per car per day.

Ride Share: Currently only two companies are authorized to pick-up at the ATL airport – Uber and Lyft. You can meet your ride in the North Economy Lot. Dependent on time of day, fares to the hotel range from \$16 to \$23, not including gratuity.
