Objectives of the NARPM Training Program

- ❖ Enable RPMs to maintain and develop the knowledge and skills essential to their successful job performance
- ❖ Provide a diverse learning experience that RPMs can attend in a single week at a single location
- ❖ Achieve inter-regional networking among RPMs as well as increase the effectiveness and efficiency through cross-regional communication
- ❖ Showcase regional case studies, current tools and resources available to RPMs
- ❖ Provide training opportunities for other remedial support personnel and tribal and state counterparts to interact with RPMs, and to learn and understand their roles and responsibilities during Superfund responses
- ❖ Ensure consistent training for a national Superfund program
